St. John captures the essence of what kind of love is expected from us toward our neighbor and those in need as he opens our Second Reading with “Let us love not in word or speech but in deed and truth.” Jesus made that point several times in His own teachings. It follows the old adage that “Actions speak louder than words.” We have pointed out numerous times that being a good steward requires action. It may be easy for us come to an understanding of what it means to love one another; and additionally, we may speak of doing it; but the true measure is what we do, how we live our lives.

**BFA DEADLINE!** We are pushing for a deadline ending in August for the BFA to be paid off. Those who have not pledged please do so. We have less than five months for the parish deadline. Groups and Organizations are asked for their help to offset the BFA Goal before the deadline of August. We appreciate your generosity..
